**How Do You Get Great Data to Establish Value**

Start the year off right. A free service for Commercial Realtors to obtain great data are now available through NAR. This is a service that can prove to be invaluable to your establishing value for your listings or determining what your buyer should pay for a property. Analyze spending date within a drive time, radius, or general area to help business owners find the best location. Determine which business types are over or under represented in a particular area. Don't miss this important meeting and take advantage of this great tool which will give the commercial agent credibility with their client. Don't miss this one

**Promote your listings & wants. PowerPoint provided**
