A New Commercial Real Estate Model...Good for Brokers?

- What is this new business model? How is it working? Where did they come from?
- Are they just local or world wide? Short term or long term space at high rates?
- How can brokers and agents profit from what they are doing?
- We as brokers need to know what is going on around us. These people are important players.
- Come listen to see if this will work for you or your client. Don't miss it.
