**Tenants Rights Attorney - How well are Tenants
protected from the landlord...or not?**

This is a great opportunity to hear from an attorney on the tenant side of the fence. What are the legal rights a tenant has whether residential or commercial. is there a difference on either side? If not handled correctly by the Landlord, what consequences are there for the Landlord. In light of Covid 19, what is on the horizon for new rules and regulations that benefit tenants. This is one talk you do not want to miss.

You need to sign up in advance for this free session at the Commercial Investment Networking meeting via Zoom in order to attend.
