MAKE YOUR COMMERCIAL DEAL WITH FREE DATA FROM COMPSTAK

Having good data is essential in putting a deal together. Understanding the data is even more important. Come listen to an expert who can help interpret the data to identify market trends, tenant insight distribution, market rent heat map and more. Find out how brokers are finding CRE lease and sale comps with granular information including free rent, TI's, NOI and Cap rates, all for free from CompStak as a member of SRAR. Don't miss it!
